

The information below pertains to two opportunities.

These events are open to support staff, leaders and central Trust colleagues, not just teachers.

There may be funding available for some colleagues.

1) Return to Work workshops:-

Colleagues returning from a period of maternity, adoption or shared parental leave this term can enjoy a fully-funded place on The MTPT Project's January Return to Work workshop. This 90 minute virtual workshop will inform you of your legal entitlements and the best practice you can expect from your school, as well as a powerful space to set boundaries and get your emotional and logistical ducks in a row before you go back.

Will you be joining us for our [**Mother of All Pay Gaps**](#) virtual conference on **Saturday 16th March?**

Welcome to The MTPT Project and WomenEd's annual virtual conference, *The Mother of All Pay Gaps... and what we can do about it.*

This full day, online conference is packed full of workshops, panels and presentations explaining exactly why the 20.4% gender pay gap in education exists, and offering practical solutions to do something about it! We'll hear from industry experts in the motherhood penalty, flexible working, shared parental leave, women in leadership and the protected characteristic of pregnancy and maternity who will offer concrete ideas of how you can support your staff, or what you can do yourself to avoid falling victim to the fiscal motherhood penalty.

We would love to see you and your colleagues there!
