

Welcome to your new local science hub. We believe that every science teacher and technician has the right to high quality CPD to enable them to become the best that they can be. We are focused on supporting effective teaching and learning across our local area using a team of expert science teachers.

The DfE has withdrawn all funding for local Science Learning Partnerships, but **WE WILL BE CONTINUING** as an independent, non-profit organisation to support all your science teaching and learning needs from Sept 24. We will await to see what the DfE will offer in future but we are filling the gap while we wait to hear their proposals. Please support us by attending our courses. We have made the pricing of all our courses as low as possible to enable you to be able to attend.

See our website [here](#) for all of our exciting courses for both Primary and Secondary Teachers and for Technicians.

Our Science CPD offer is also on eventbrite. Follow us [HERE](#)

These are the most cost effective ways for you to have a year of science CPD.

We have 4 different exciting packages for your schools to sign up to.

These are the most cost effective ways for you to have a year of science CPD.

The Primary Science Package

Ensure that your teachers are trained, supported and given opportunities throughout the year to develop their pedagogy and subject skills.

PACKAGE PRICE= £250

3 FULL DAY CONFERENCES

Worth £100 each. Learn about topical developments in primary science and improve your teaching practice.

STAFF MEETING

Worth £150. A private 1.5 hours training on your chosen science topic at your school on a date and time that suits you.

6 NETWORK MEETINGS

Connect with fellow teachers, stay up to date with the latest guidance and share best practice.

Full price=£450 : You save £200

Book your package by emailing
Hubs@scd.herts.sch.uk

The Secondary Science Physics Package

Ensure that your teachers are trained, supported and given opportunities throughout the year to develop their pedagogy and physics subject skills.

PACKAGE PRICE= £300

3 FULL DAY subject matter enhancement (Choice of topics)

Worth £100 each. Learn about subject specific pedagogy and subject knowledge for GCSE Physics

Choice of Physics Department audit or 1 bespoke CPD Physics session during a department meeting

Worth £150 each carried out by expert Physics leads

6 PHYSICS NETWORK MEETINGS

Connect with fellow teachers, stay up to date with the latest guidance and share best practice.

1 Technician supporting Physics

Worth £50. Technicians learn about Physics equipment preparation tips and practical troubleshooting to support secondary physics teaching.

Full price=£500 : You save £200

Book your package by emailing
Hubs@scd.herts.sch.uk

The Secondary Science Chemistry Package

Ensure that your teachers are trained, supported and given opportunities throughout the year to develop their pedagogy and chemistry subject skills.

PACKAGE PRICE= £300

3 FULL DAY subject matter enhancement (Choice of topics)

Worth £300 each. Learn about subject specific pedagogy and subject knowledge for Chemistry

Choice of Chemistry Department audit or 1 bespoke CPD Chemistry session during a department meeting

Worth £150 each carried out by expert Chemistry leads

1 Technician supporting Chemistry

Worth £50. Technicians learn about Chemistry equipment preparation tips and practical troubleshooting to support secondary chemistry teaching.

Full price=£500 : You save £200

Book your package by emailing
Hubs@scd.herts.sch.uk

The Secondary Science Technicians Package

Ensure that your technicians are trained, supported and given opportunities throughout the year to develop their skills.

PACKAGE PRICE= £300

3 Technicians supporting subjects

Worth £50 each. Learn about the key experiments to best support the teaching of physics, chemistry and biology as a technician.

1 bespoke audit of your prep room and resources

Worth £150 carried out by our expert technician.

3 NETWORK MEETINGS

Connect with fellow technicians, stay up to date with the latest guidance and share best practice. Meetings lead by our expert technician.

1 Technician Conference

Worth £100. Technicians learn about equipment preparation tips and practical troubleshooting to support secondary teaching.

Full price=£400 : You save £100

Book your package by emailing
Hubs@scd.herts.sch.uk
