

Advanced Mathematics Support Programme®

Updates from AMSP Surrey / Berkshire / Hampshire

Our Teacher Networks area AMSP-funded projects allowing maths teachers to meet, to collaborate and to share professional development. We meet regularly as a twilight session and the programme is a mixture of interactive discussion and speaker-led training events. Teachers from all roles are welcome to attend.

North West Surrey Teacher Network

Introduction to University Admissions Tests for Teachers

Monday 18 March 16:15-17:45 via Zoom

This event is for teachers who wish to understand more about the tests used by universities for admission on to courses for mathematics and related subjects. We will look at the different UATs and which universities and courses use them in their admissions process. We will explore some of the types of questions asked, and how problem-solving techniques can be incorporated into our teaching for the benefit of all A-Level students.
