STEP into Reading

'Systematic Teaching of Early Reading and Phonics'

I realized in a whiplash burst that those children, all mine for one year, might never reach their full potential as human beings if they never learned to read.

Wolf M (2018). 'Reader, come home. The reading brain in a digital world.'

Whiteknights English Hub will be modelling and discussing good practise in Phonics and Early Reading as well as sharing their own journey. Find out how the English Hub can support your school with your phonics and early reading journey, including how to continue that love of reading throughout the rest of your school and how to support early language development. An opportunity to reflect on your schools' own practice.

Our events are aimed for teaching staff with a passion for Phonics and Early Reading – this could be: Headteacher, Wider Senior Leadership Team, Early Years or Key Stage 1 Leads, ECT, Class-teachers in EYFS or KS1.
