

## Bucks, West Herts and East Berks Science Hub

We have our usual list of specialist CPD courses available to you throughout the year. If there is something in particular that you can't see on our course list that would benefit you or a colleague then please do let us know and we can see if this is something we can provide for you.

### Highlights:

- New courses for primary. [Click here](#)
- Free physics support through the Stimulating Physics Network for secondary schools. Contact us to find out more.
- Primary Science Subscription packages to save money on your science CPD – last chance to save! Find out what is on offer [here](#).
- One-off SEND Course with Rob Butler for secondary schools – [Info and booking](#)
- Adam Boxer special event – [Info and booking](#)
- Technician courses both remote and face to face. Find full list [here](#).

Find our full list of courses, support and more - <https://hubs.scd.herts.sch.uk/science-cpd-hub>
