

THE BIG COMPUTING LEADERSHIP CONFERENCE 14TH DECEMBER - OXFORD

Berks, Bucks and Oxon Computing Hub

As usual we have a brilliant range of remote and face to face CPD courses available to your school that you can find and book online. **These continue to be free for state schools.**

Highlights this term:

New physical computing kits free to loan - From January we have new BeeBots and Data Loggers available to loan as well as our Crumble and Micro:bit kits. [Enquire online](#) to find availability.

The Big Computing Leadership Conference - For all Computing Leaders we have an exciting opportunity to join our conference at Oxford Brookes in December with a large variety of speakers and exhibitors – this is a day not to be missed – bit.ly/complead23

New remote courses added – You will find on our website a list of all courses including a number of courses that we haven't run before, at a time that suits you. Check them out [online](#).
