Our Primary Conferences always provide outstanding learning opportunities linked to topical developments in primary science teaching along side time to talk and share ideas with other primary practitioners.

With our keynote speakers:

### **David Allen - Assessing Science with Drama**

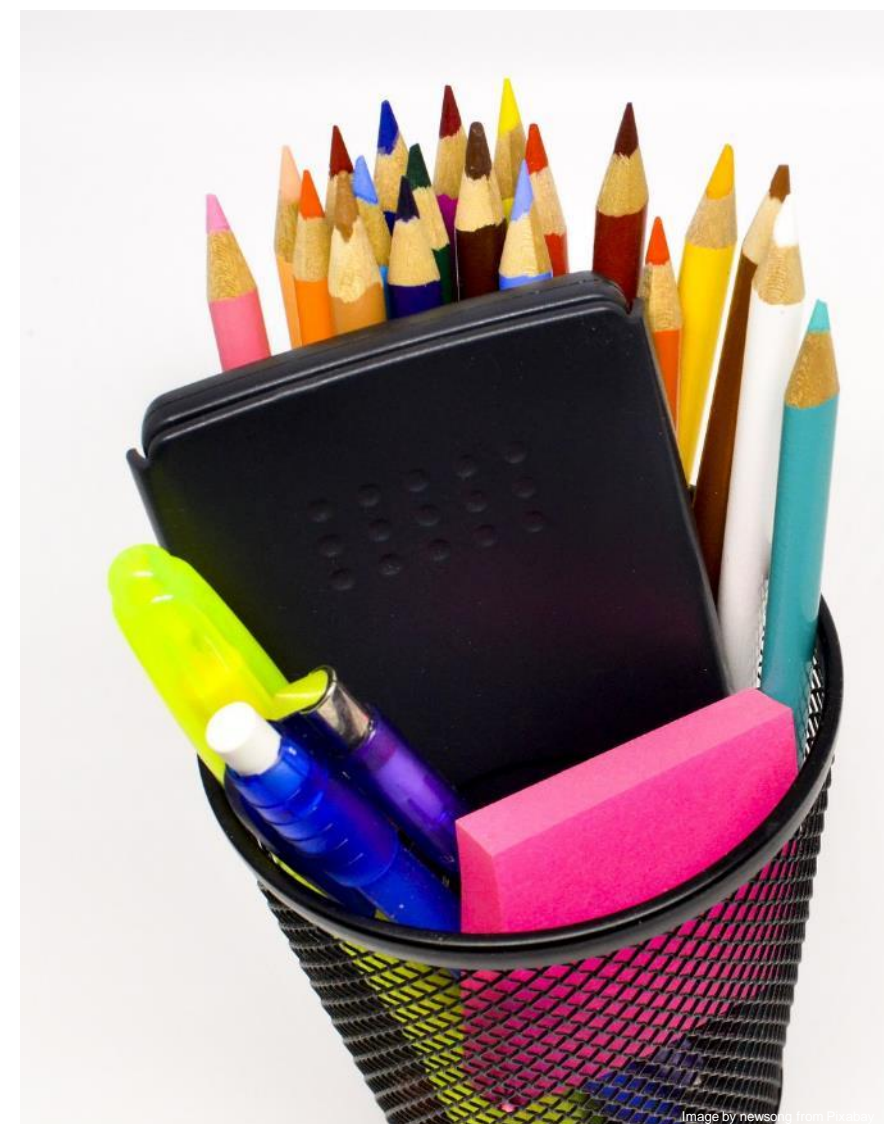

An exploration of how drama can be used to assess children's understanding of scientific concepts.

### **Jules Pootle - Teaching Gravity using Stories**

A workshop to demonstrate how you can use Jules new story 'Uncle Jack' can be used to teach children about gravity.

### **PSTT - The Primary Science Capital Teaching Approach**

A keynote speech and workshop on using the Primary Science Capital Teaching Approach in your schools.
