

*Are you looking for high-quality, fully-funded professional development in maths teaching?
You can sign-up for a Mobius Maths Hub Work Group.*

These collaborative groups bring together educators from across your local region to explore effective classroom strategies, share best practices and drive positive change in maths education.

Why join a Work Group?

Learn from expert facilitators

Focus on improving pupil outcomes

Collaborate with local schools and colleagues

Contribute to national developments in maths teaching

Whether you're an Early Career Teacher, Teaching Assistant or Subject Leader, there's a Work Group for you. Sessions are a mix of online and face-to-face and open to all state-funded schools and colleges in Wiltshire, Swindon, West Berkshire, Reading, Bracknell Forest, and Wokingham.

We also offer cross-phase groups to support the transition from primary school to secondary school with a focus on oracy and supporting pupils with special educational needs.

Sign up today and be part of a vibrant learning community!
