

MA Education

Invest in yourself and your professional practice

The University of Reading's MA Education is designed for education professionals looking to enhance their practice, deepen their understanding of education, or explore new professional directions.

100% of students said they were satisfied with their experience overall (Postgraduate Taught Experience Survey 2023).

What and how you will study

The MA Education offers a range of pathways, including:

- Early years
- Inclusive education

- Leadership & management
- Creativity in education

The programme helps students develop academic, research and analytical skills while engaging critically with educational research and contemporary issues in practice. Through a research-informed approach, students are encouraged to reflect on their own professional experiences and undertake independent research.

A flexible learning experience

Flexible study options, including part-time routes, allow students to balance their studies alongside professional and personal commitments.
