

## TSH Berkshire ECT Additional CPD 2022-23

There is a range of additional CPD offered by curriculum hubs and other DfE funded organisations. For a full list, see our website [here](#).

If you would like us to pass your contact details onto any of the curriculum hubs, please complete this short [form](#).

### Whole School SEND

Whole School SEND/nasen are offering a series of online sessions in collaboration with several Teaching School Hubs across the NWLSC region. Sessions are free for TSH Berkshire ECTs. Full details, including dates and registration links can be found [here](#).

### Maths Hubs

The Maths hubs offer fully-funded programmes and projects for teachers in both primary and secondary schools. For full details of all the support on offer see the relevant website:

[BBO Maths Hub \(Slough, RBWM\)](#).

[Mobius Maths Hub \(Bracknell Forest, Wokingham, Reading, West Berkshire\)](#)

For those teaching A level, there is further support available from the [Advanced Maths Support Programme](#).

### Computing Hubs

Computing hubs offer support to primary and secondary teachers. Courses are free or low cost, and there are often bursaries available for the school for cover costs.

[Park House Computing Hub \(West Berkshire\)](#)

[St Clement Danes Computing Hub \(Slough, Reading, Wokingham, Bracknell Forest, RBWM\)](#)

### Science Learning Partnerships

Science Learning Partnerships offer support to primary and secondary science teachers and also technicians. As with the computing hub courses, many of these are funded or low cost with bursaries available for the school.

South Central Science Learning Partnership (Slough, RBWM) have details about their programmes [here](#).

Oxfordshire and Reading Science Learning Partnership (Bracknell Forest, Reading, Wokingham, West Berkshire) also have programmes available. See [our website](#) for their latest newsletter or [here](#) for details of their ECT package.

### Whiteknights English Hub

English hubs offer funded support for primary teachers, focussing on early language development, age-appropriate phonics provision, and the promotion of a love of learning. For more details see their [website](#).

### MFL Hub

MFL hubs offer support to secondary MFL teachers. For more details about their offer, see their [website](#).

## OTSA ECF Early Years enrichment sessions

The Oxfordshire Teaching School Hub are running sessions for Early Years practitioners.
